A. & L. THACKER,
Proprietors of the
WHITE CLOUD CITY FLOURING MILL.
Have lately furnished it with the most valuable modern improvements, which makes it a FIRST-CLASS MILL in all respects. The grinding will be done in a SUPERIOR MANNER, under the supervision of one of the proprietors who is a Practical Flourer.

We have put up an additional run of burrs, and now have two runs for wheat and one for corn, giving us facilities for almost double the former amount of work.
CUSTOM GRINDING will be done at all times, except on Monday of each week, and the Flour warranted, if the wheat is good.
We will exchange Flour for Wheat, if customers have not time to wait for their grain; or we will buy their Wheat, and sell them Flour. We will pay the
Highest Market Price in Cash for Wheat; or we will store the farmer's Wheat, and let him draw out Flour as he wants it. Farmers will find inducements offered at these Mills that they will find at no other.

Agents Wanted,
TO SELL THE HISTORY OF
THE WAR BETWEEN THE STATES,
Its Causes, Character, Conduct, and Results,
BY BEN. ALEXANDER H. STEPHENS.
A BOOK for all sections and all parties.
This absorbingly interesting book, by "THE GREAT STATESMAN" of the South, presents the most complete and impartial analysis of the causes of the war which has ever appeared from a Southern pen; it treats, without partiality, and in the utmost moderation, of the character of the struggle; and in its description of the conduct of the war, it gives those interior lights and shows the conflict only known to those high officers who watched the flood-tide of revolution from its fountain-springs, and which were so accessible to Mr. Stephens, from his position as second officer of the Confederate States. The results of the war, present and future, have never been treated by any other author, and Mr. Stephens' great abilities have here found their fullest play.
The intense desire everywhere manifested to obtain this work, its Official Character and ready sale, combined with an increased commission, make it the best subscription book ever published, and offers to Agents the finest opportunity to make money ever heard of in the history of books.
